

FINANCIAL SECRETARIAT

The accompanying Press Note issued by the Finance Commission inviting certain suggestions from the public is republished for information.

By Order,

M. SHAMANNA,

Secretary to Government,
Finance Department.

8018

Among the questions on which the Finance Commission will have to make recommendations are:

- (i) the distribution of the net proceeds of income-tax between the Union and the States and the allocation of the States' share among the States [vide articles 270 and 280 (3) (a) of the Constitution] and
- (ii) the principles which should govern the grants-in-aid of the revenues of the States out of the Consolidated Fund of India [vide article 280 (3) (b) read with Article 275 of the Constitution].

At present, 50 per cent of the divisible net proceeds of income-tax (other than Corporation Tax) is assigned to the States and distributed among them in the following percentage ratios: Assam—3; Bihar—12.5; Bombay—21; Madhya Pradesh—6; Madras—17.5; Orissa—3; Punjab—5.5; Uttar Pradesh—18; and West Bengal—13.5.

Seven out of the eight Part B States are also now entitled to Share in the proceeds of the income-tax, along with the nine Part A States.

Various bases have been suggested for allocating income-tax:

- (i) the collection of income-tax in the various States;
- (ii) the amount of income-tax realised in respect of incomes, wherever earned, of individuals resident in the different States;
- (iii) the collection of income-tax in the various States adjusted with reference to the origin of the income;
- (iv) the relative population of each State;
- (v) the relative volume of industrial labour in each State;
- (vi) the needs of the different States according to various criteria; and
- (vii) different combinations of the above factors.

Claims are advanced for grants-in-aid on the basis of needs for balancing the budget, for bringing up the level of administration and raising the standard of social services in certain States and backward regions, for implementing some of the Directive Principles of the Constitution, for economic development, for bearing special additional burdens or dealing with disabilities consequent upon partition, etc., etc.

Further points which arise with respect to grants-in-aid are whether the grants should be general or specific, conditional or unconditional.

Before making their recommendations, the Finance Commission would welcome the views of all who may have made a study of these questions. The views may be set forth in a written memorandum and sent to the Secretary, Finance Commission, Faridkot House, Lytton Road, New Delhi, on or before April 15, 1952.

Finance Commission, Government of India.
